A little practice. A lasting habit.

01 NAVIGATION

Mobile: keep the logo and a 44 px menu button.
Desktop: show a full horizontal navigation with the Today link highlighted

02 HERO & MUSIC ARTWORK

Mobile: stack the title, body, action and vinyl artwork.
Desktop: place the artwork beside the text, keeping body lines below 65 characters and clear of the stickers

03 PRACTICE CARDS

Mobile: three cards stack with 16 px gaps.
Desktop: place them in three equal 400 px columns with 24 px gaps, keeping the same order, instructions and 1 / 3 state

04 PLAN, WEEK & FEEDBACK

Mobile: stack these sections in reading order.
Desktop: arrange them in one row; retain separate 48 px View and Edit actions and the same weekly marks and feedback

05 STATE & TOUCH TARGETS

The whole exercise card is tappable.
When all three are complete, show "Today's practice complete" and update today's mark and the daily streak.
